The omission of Clause 20 clearly
anticipates the terms of the invitation
of Tenders made in the Gazette, and
to say it cannot be rectified in this
case, it will dampen spirit to
concede a similar privilege in the
New Lodge contract. *h*
to the Commr of works.

The Court may be informed
that the inclosure of para
6 of his letter in para 9
of the order was an oversight
which occurred in consequence
of the number of his letter not
being numbered - In the
present contract only
Sturgeson notes are permitted
no programme - The Court
is thus not in exact
accordance with the terms
stated in the advertisement
calling for tenders which
is to be regretted but
cannot now be altered -
It is of no practical
importance I think as
I am bound if a man
wishes for fully detailed

Ashbagam (Commis Office)

Dated 31st March 1875.

To

The Secretary to the Chief
Commissioner of Mysore.

Sir

I have the honor to request that
the instructions of the Chief Commissioner may
be obtained on the point whether the omission
of Clause XX in the Contract Bond to be
executed by the Toddy Contractors will
authorize the Contractors to sell toddy at
higher rates than those fixed for the mini-
mum under clause XIX.

The Clauses are as follows:—

XIX. Toddy shall not be sold by us or
by our Sub Lessees for less than the under-
mentioned rates during the period that it shall
be in force.

In Mysore Town } 12 Annas per pot of
and other places } 24 Puchas per 8 Superior
of Talooks. } Gallons.

In villages - 8 - D^o - D^o

xx Toddy will be sold at fixed rates and supplies of the same as well as Jaggery will be made to beakers Distillers etc as usual.

The minimum rates are those formerly fixed as the only rate at which Toddy should be sold and the suggestion that no charge should be made in this respect received the sanction of the Chief Commissioner in para 9 of the Prosp. of the Chief Commissioner dated 9th March 75.

Doubts appeared to have arisen on the subject, and I have received representations from some of the persons who tendered for the contract, that as the advertisement stated that Toddy would be sold at fixed rates, their tenders were considerably lower than they would have been, if it had been understood that there was no limit to the price

With reference to
your letter No $\frac{867}{159}$ of the
31st ultims enquiring
whether the omission of

-rize them to sell toddy at
higher rates. I am directed
by the Chief Commr to
State as follows.

* When we're forced to
Clause ~~XX~~ of the Bond

I believe Clause XX
was struck out purposely

~~2. The inclusion of para
your letter No $\frac{30}{38}$ of the 9th
March last in para 9
this Office order No $\frac{930}{38}$
of the 20th March last
was an oversight &
occurred in consequence
of the paras of your~~

In the Laddy Contract for
the Mysore & Hassan Dis-
tricts under reference,
only minimum and no Despr 28
~~maximum rates are~~
~~fixed.~~ ^{altug} The contract is

~~was~~ not in exact accordance
accordance with the
terms stated in the ad=
vertisement calling for
^{a Cunningham} tenders, which is to be
regretted ^{that Mr Cunningham alone} ~~but cannot~~

~~altered. It is the
chief formulae thinks, of
no practical consequence
as he never heard of a
maximum rate for
any elsewhere.~~
